

## Radio & Blog Release - Email Campaign

Email release to more than 1600 campus/college, internet, community and independent radio stations in 64 countries and 800 international blog sites to promote the release of your new album, EP or single.

### What we require

- Artist bio
- Album cover image and promo images
- Album in both .wav and .mp3
- Streaming links (Bandcamp, Soundcloud, Spotify)
- Payment upfront by bank transfer or PayPal

### Email Service

- First email with introduction and release sheet. Includes download, streaming and EPK links. (All links will be tracked via Bit.ly)
- Follow-up email after one month with same information.
