

Radio & Blog Release

Radio, Blog & Music Websites - Email Campaign

Email release to *over 1700* campus/college, internet, community and independent radio stations and *more than 1200* global music blogs and websites (as well as additional, genre specific, sites) to promote the release of your new album, EP or single.

What we require

- Artist bio
- Album cover image and promo images
- Album in both .wav and .mp3
- Streaming links (Bandcamp, Soundcloud, Spotify)
- Payment upfront by bank transfer or PayPal

Email Service

- First email with introduction and release sheet. Includes download, streaming and EPK links. (All links will be tracked via Bit.ly)
- Follow-up email after one month with same information.
- Final engagement report
